

Come join us at the first meeting of the

# Portland Chapter of the Pacific Crest Trail Association

## When

7:00 p.m., Tuesday, November 23, 1993

## What

In a continuing effort to strengthen the effectiveness of the Pacific Crest Trail Association as the official citizen group of the PCT, we are organizing the Portland Chapter of the PCTA. This is a grand experiment and the format of the meeting is wide open.

One of the main reasons we are starting this chapter is to increase the quantity and quality of the volunteer trail projects by the members of the PCTA in the Portland/Vancouver area. There will, however, be other benefits too. We can invite guest speakers and potential new members, exchange information, meet new friends, and organize hikes or rides.

How many people will show up? How often will we hold chapter meetings? What do we want to do during the chapter meetings? Where will future chapter meetings be held? Please help us answer these questions by marking Tuesday on your calendar.

Please give me a call and let me know if you will be joining us so I can get an idea of how many people to expect. We look forward to seeing you.
