

Pacific Crest Trail Association

Mount Hood/Gifford Pinchot Chapter

Meeting Announcement

The last chapter meeting was attended by a dedicated core group of individuals and the agenda was wide open. The discussion was lively for a solid 2½ hours and it was clear that another meeting was in order. We moved the chapter meeting to a neutral location that will accomodate a greater number of people, and judging by the number of people that expressed an interest in these chapter meetings but weren't able to attend the last one, we should have a good turn out.

Agenda

The agenda will be only slightly more structured than last time.

Volunteer Projects. Two of our most important objectives this year are to get some quality work projects under our belts and to establish a system by which we can lead future projects with our own trained crew leaders.

Organizational Changes. Recently, region boundaries have been changing (getting smaller) and I am now Regional Coordinator for the Mount Hood National Forest instead of the entire state of Oregon. We will discuss the impact of these changes.

When

Where

Oregon Sports Offices — West
4840 S.W. Western Avenue
Beaverton, Oregon 97005

- Take Highway 217 to Beaverton and take the Canyon Road/Beaverton-Hillsdale Highway exit (not sure about the exact name of the exit).
- Turn east onto Beaverton-Hillsdale Highway. That would be left at the second light if you are heading south from Highway 26 or right at the first light if you are heading north from I-5 near Lake Oswego.
- After about ½ mile, turn right onto Western Avenue (immediately past the Kaiser Permanente building).
- Turn left into Waremart Food's parking lot and aim toward the left of the big Bingo sign. Oregon Sports Office is tucked in the corner.
- The door will be locked, but I will make sure someone is there to let you in.
